

Indian River Kontrol Society
Fall Festival Fun-Fly
4 November 2017

Prizes are awarded to First Place thru Third Place. Gift certificates from Tower Hobbies will be awarded as follows: First place: \$100.00, Second place: \$75.00, and Third place: \$50.00. The FunFly will start at 0930. Depending on the number of entrants, there may be two rounds. One airplane per entrant for all events.

Airplanes only. No Park Flyers, helicopters, or "Drones" are permitted to enter.

Events:

1. Drag Race:

- Take off and fly straight to the end of the runway. First one across wins. This event will be restricted to two pilots/planes at one time until all participants get their chance to race at the finish line.

2. Timed Event:

- Perform 3-loops, 3-rolls, 3-spins and "land". Engine must be running after final touch-down (last "bounce"). Shortest time wins the event.
Try for final touchdown at the "Spot" for extra point(s).

3. Accuracy:

- **Dead-Stick Spot Landing:**

Take-off and climb to a safe altitude determined by the pilot, cut engine on the "down-wind" leg of the traffic pattern. Set up for the landing. The "touch-down" that sticks is where the spot-landing will be judged.

Total combined points, of all three events, will determine the winner of the FunFLy. Points for each event will be announced at the pilot's meeting.
